

MFE is a high school focused workforce development and career exploration initiative done within the framework of film making, media literacy and innovation.

Mosaic is opening up opportunities to showcase the world of digital arts and cinema to high school students. West Michigan is the heart of Michigan's new creative economy and part of Mosaic's mission is to bring this world to students who may not have the opportunity as part of their curriculum.

Digital content is a vital communication tool. Within the next 5 years, it is estimated that up to 80% of all content consumed will be digital. Our goal is to prep today's students for that world.

Become a Sponsor

We offer a variety of partner levels.

Every contribution makes a difference.

The Mosaic Film Experience helps connect young people with the world of digital media. Promoting the value of creativity in the ever changing digital age. Our mission is to empower today's diversity of youth to speak out in their individual voices.
