

2019 MOSAIC MOBILE™ Student Film Competition

**THE MOSAIC
FILM EXPERIENCE™**
TODAY'S YOUTH. TOMORROW'S STORYTELLERS.

MOSAIC MOBILE IS A SHORT FILM COMPETITION FOR STUDENTS WITH CASH PRIZES.

WHAT IS THE MOSAIC FILM EXPERIENCE?

The Mosaic Film Experience is a nonprofit that engages students in the power of digital media and content creation in interactive and relevant ways. Through our annual **Mosaic Event**, **Mosaic Mobile** short film competitions, and **Mosaic Community** programs, we provide opportunities for diverse youth to tell their unique stories. In the process, we help students develop the creative, collaborative, and critical thinking skills that are necessary for any career they will pursue.

STUDENTS MAKE MOBILE FILMS

Students will shoot, edit, and enter a two- to **three-minute short film** made entirely on a mobile device (phone or tablet). Mosaic Mobile is open to any student attending a Michigan **high school** or **college/university** in 2019.

WHY MOBILE?

With mobile technology leveling the content creation playing field, we show students that they can use tools that they already have to tell original and impactful stories.

SUBMISSION CRITERIA

Each Mosaic Mobile film requires the use of a theme, prop, and saying. The three requirements are intentionally open-ended to encourage your student's interpretation and creativity.

2019 REQUIREMENTS

Saying: "I never thought of that."
